GENERAL SECRETARY 5 NOV 19

Submitted to His Highness.

In Government Order No. 723-28/C.B.64-34-3 dated 15th October 1934, sanction was conveyed to the appointment of Professor Werner Rosenthal, M.D., as Pathologist, Krishnarajendra Hospital and Professor of Pathology in the Medical College, Mysore, and of Dr. (Mrs.) Erika Deussen Rosenthal, as Organizer, Maternity, Child and other Welfare works, for a term of three years on certain terms. The term of employment of Dr. (Mrs.) Erika Rosenthal expires by 17th November 1937, while that of Professor Werner Rosenthal who was subsequently granted a short extension of service, by 17th December 1937.

Under the terms of their engagement, both these persons are entitled to first class travelling allowance for themselves, as also second class fare for their daughter, in respect of their journeys to join duty in Mysore, as well as for their return to Europe on the expiry of the period of the contract. The cost of passages, etc., incurred by them for the forward journey from Europe to Mysore have been accordingly paid to them on the above scale.

In a letter dated 19th October 1937, Mrs. Rosenthal requests that (i) the term of Professor Rosenthal may be extended by another month from 17th December 1937 and treated as privilege leave prior to retirement; and (ii) the value of the return passages that she and Professor Rosenthal are entitled to under the contract, as also of a second class passage for their daughter to England, may be kindly paid to them immediately <u>in cash</u> - without insisting on the journeys being actually made - as they wish to make some investigations before leaving India about the prospects of securing future employment elsewhere.

Professor Rosenthal will have at his credit one month and four days' leave on 17th December 1937. In the circumstances explained by Mrs. Rosenthal, it is proposed to concede the requests made by her regarding the grant of one month's leave from 17th December 1937 to Professor Rosenthal and the payment of the cost of return passages in cash immediately.

To the Chief Secretary to the Government of Mysore.

Dear Mr. Keshaiengar,

Dr.Rosenthal and I interviewed the Dewan on the 7th inst.and brought to his kind notice certain matters with reference to our impending retirement from Mysore Service.

The Dewan advised us to address you in respect of the same.I therefore take the liberty of writing to you.

According to our contract we are entitled to our return passage to Europe in case our contract is not renewed.We intend to return to Germany ,but before we leave India we wish to make some investigations about future employment for us elsewhere in India. As this involves some time and cost ,we request that Government may be pleased to grant us the passage money immediately we retire leaving it to our discretion to utilise it according to our convenience.I may mention that the first class passage given to each of us when we came out was £ 67 (English pounds)plus Rps. 35.- for trainage.

When we came out Government kindly sanctioned a second class passage for our daughter.As we did not foresee at that time that our appointment would come to such an early termination,we did not ask for any arrangements for her passage back to Europe.I now request Government to kindly consider her case favourably and to grant her a second class passage to England,where we propose to send her for her nurse's training.

The combined contract expires on Nov.17th 1937,but the term of Dr. Rosenthal has been extended by a month at the request of the Principal of the Medical College,for finishing the course of lectures.He has also been appointed examiner for the 2nd M.B.,B.S. which terminates only on December 17th-correcting papers and preparing the report will take about a week longer.

Dr. Rosenthal is entitled for three months privilege leave for the three years of service he will have put in.He has utilised only two months so far.

We request that Government may kindly extend the period of his service by another month from the 17th of December,treating the period as privilege leave prior to retirement.Such a concession has been made by Government in several cases.This is not in the contract but we request Government to grant it as a special favour.

So to summarize our prayers:

1.Return passage for Dr. Rosenthal and myself to be made available for us in cash,immediately at the close of our contract.

2.Second class passage to England to be granted to our daughter.

3.Extending the period of Dr. Rosenthal's term by another month, from the 17th of December.

I am sending this representation directly to you. -f you desire me to send it (a formal representation) through the Heads of the Departments concerned kindly let me know.

I trust that you will be so good to move Government to pass very early favourable orders in respect of the above request.

As desired by you I enclose herewith a copy of the representation I have made to the Director of Health concerning the question of my T.A. which has not yet been settled.

Yours sincerely

I have the honour to bring to your kind notice the following, in the hope that Government to pass early favourable orders in the matter.

In accordance with G.O.No G 2992-4 P.H.2-35-11 dated 6/7th November 1936,the period for which I should tour during a quarter has been fixed at 45 days.

I was on a month's privilege leave during the quarter ending June 30th 1937 from 12th April to 13th May 1937,and have drawn no travelling allowance for this period.Calculating on this basis of 45 days in a quarter the number of days I have to tour in 2 months will be 30 days. The actual number of days I toured during the two months of the quarter in question was 29,that is practically the period I was required to tour.But the comptroller has taken the view that I am entitled to draw the F.T.A. only when I have toured 15 days in every month of the quarter.

I request you therefore to be so good as to instruct the Comptroller to grant me the full F-T.A.for the29 days I toured during the quarter.The Comptroller's interpretation will entail substantial financial hardship to me.

In this connection I wish to bring to your kind notice that my claim for Rps. 212 as 4.-only (7 bills) is not admitted by the Comptroller who still seems to be guided by orders on my F.T.A.

previous to the G.O. above referred to.

I beg that the Comptroller may kindly be instructed to deal with all these claims in accordance with G.O. G. 2992-4 P.H.2-35-11 dated 6/7 Nov.1936.

I have the honour to be,

Sir,

Your most obedient servant

VANI VILAS CENTRE, VANI VILAS ROAD,

To the Chief Secretary to the Government of Mysore.

Dear Mr. Keshaiengar,

Dr.Rosenthal and I interviewed the Dewan on the 7th inst.and brought to his kind notice certain matters with reference to our impending retirement from Mysore Service.

The Dewan advised us to address you in respect of the same.I therefore take the liberty of writing to you.

According to our contract we are entitled to our return passage to Europe in case our contract is not renewed.We intend to return to Germany ,but before we leave India we wish to make some investigations about future employment for us elsewhere in India. As this involves some time and cost ,we request that Government may be pleased to grant us the passage money immediately we retire leaving it to our discretion to utilise it according to our convenience.I may mention that the first class passage given to each of us when we came out was £ 67 (English pounds)plus Rps. 35.- for trans-nage.

When we came out Government kindly sanctioned a second class passage for our daughter.As we did not foresee at that time that our appointment would come to such an early termination,we did not ask for any arrangements for her passage back to Europe.I now request Government to kindly consider her case favourably and to grant her a second class passage to England,where we propose to send her for her nurse's training.

The combined contract expires on nov.17th 1937,but the term of Dr. Rosenthal has been extended by a month at the request of the Principal of the Medical College,for finishing the course of lectures.He has also been appointed examiner for the 2nd M.B.,B.S. which terminates only on December 17th-correcting papers and preparing the report will take about a week longer.

Dr. Rosenthal is entitled for three months privilege leave for the three years of service he will have put in. He has utilised only two months so far.

We request that Government may kindly extend the period of his service by another month from the 17th of December, treating the period as privilege leave prior to retirement. Such a concession has been made by Government in several cases. This is not in the contract but we request Government to grant it as a special favour.

So to summarize our prayers:

1. Return passage for Dr. Rosenthal and myself to be made available for us in cash, immediately at the close of our contract.
2. Second class passage to England to be granted to our daughter.
3. Extending the period of Dr. Rosenthal's term by another month, from the 17th of December.

I am sending this representation directly to you. If you desire me to send ~~it~~ a formal representation through the Heads of the Departments concerned kindly let me know.

I trust that you will be so good to move Government to pass very early favourable orders in respect of the above request.

As desired by you I enclose herewith a copy of the representation I have made to the Director of Health concerning the question of my T.A. which has not yet been settled.

Yours sincerely

Dr. Louis Rosenthal

To

Sir,

Sl "V" With reference to Government Order No.1395-99/C.B.164-36-6 dated 16th November 1937 sanctioning the payment of the return passage of Dr. and Mrs.Rosenthal on their retirement from service, I have the honour to forward herewith copies of letters received from Dr. and Mrs.Rosenthal bringing to notice that the Comptroller requires sanction of Government for the payment of passage money.

Dr.Rosenthal states that the first class passage to Europe including Railway fares to Magdeburg is £.67 and he requests that this amount plus the railway fare from Mysore to Madras may be arranged to be paid to him immediately. Mrs.Rosenthal also states that she interviewed the Comptroller a few days ago and that he informed her that he could not pass the bills for the passage, and he is arranging to get information from Messrs.Cook and Sons. As Dr. and Mrs.Rosenthal state that a longer stay in Mysore would involve much expense to them, I request that you will be so good as to authorise the Comptroller to pay a sum of £. 67 (being pasaage money) and also the Railway fare from Mysore to Madras both to Dr. and Mrs.Rosenthal.

I may note that the arrangement now proposed is in accordance with para 2 of Government Order No.G.1395-99/C.B.164-36-6 dated 16th November 1937, which states that the return passage money may be paid to Dr. and Mrs.Rosenthal immediately on retirement leaving it to their discretion to utilise it later according to their convenience. I presume that the intention of the Government Order is to pay away the value of the passage money and not to arrange for their passage.

Letter dated 27-12-1937 from Dr.Erika Deussen Rosenthal, M.D., 401, Railway Quarters, Vontikoppal P.O., Mysore, to the Senior Surgeon in Mysore, Bangalore.

After seeing you the other day I went to see the Comptroller who informed me that he could not pass the bills for our passages back, as he would have to get informations from Messrs.Cook (he had them there already, but they gave the prices of cabin class, not of first class) he suggested to ask Government to sanction the amount already passed by you, and suggested the representation which we include. My husband and I would be very grateful, if you kindly would recommend it to Government and would be thankful for an early settlement as we are not able to leave Mysore State before this, and a longer stay would involve a lot of expenses which we can ill afford.

Concering first class passage back to Europe, sanctioned by Government to be paid in cash.

The first class passage to Europe including railway fares to Magdeburg is £. 67.

Since the rates vary according to the lines on which I travel and since cabin class is not first class I request that Government may kindly sanction the amount of sixty seven English pounds plus the amount for the first class railway fare from Mysore to Madras, this being the amount that was paid to me for my passage to Mysore.
